
Line Types and Legend							
	Main Stream		SG	Shale Gas		GV	Globe vave
	Stream		EG	Exhaust Gas		FC	Flow controller
	General signal		PSV	Pressure Safety Valve		FT	Flow transmiter
	Electrical signal		PI	Pressure Indicator		PT	Pressure transmiter
	Pneumatic signal		TI	Temperature Indicator		TT	Temperature transmiter
XX"-XX-XX	Pipe size"-Fluid Type- Number		MV	Manual Valve		TC	Temperature controller
XX-XX-XX	Area - Instrument - Number		THV	Three way valve		PC	Pressure controller
